

**LEST WE  
FORGET**

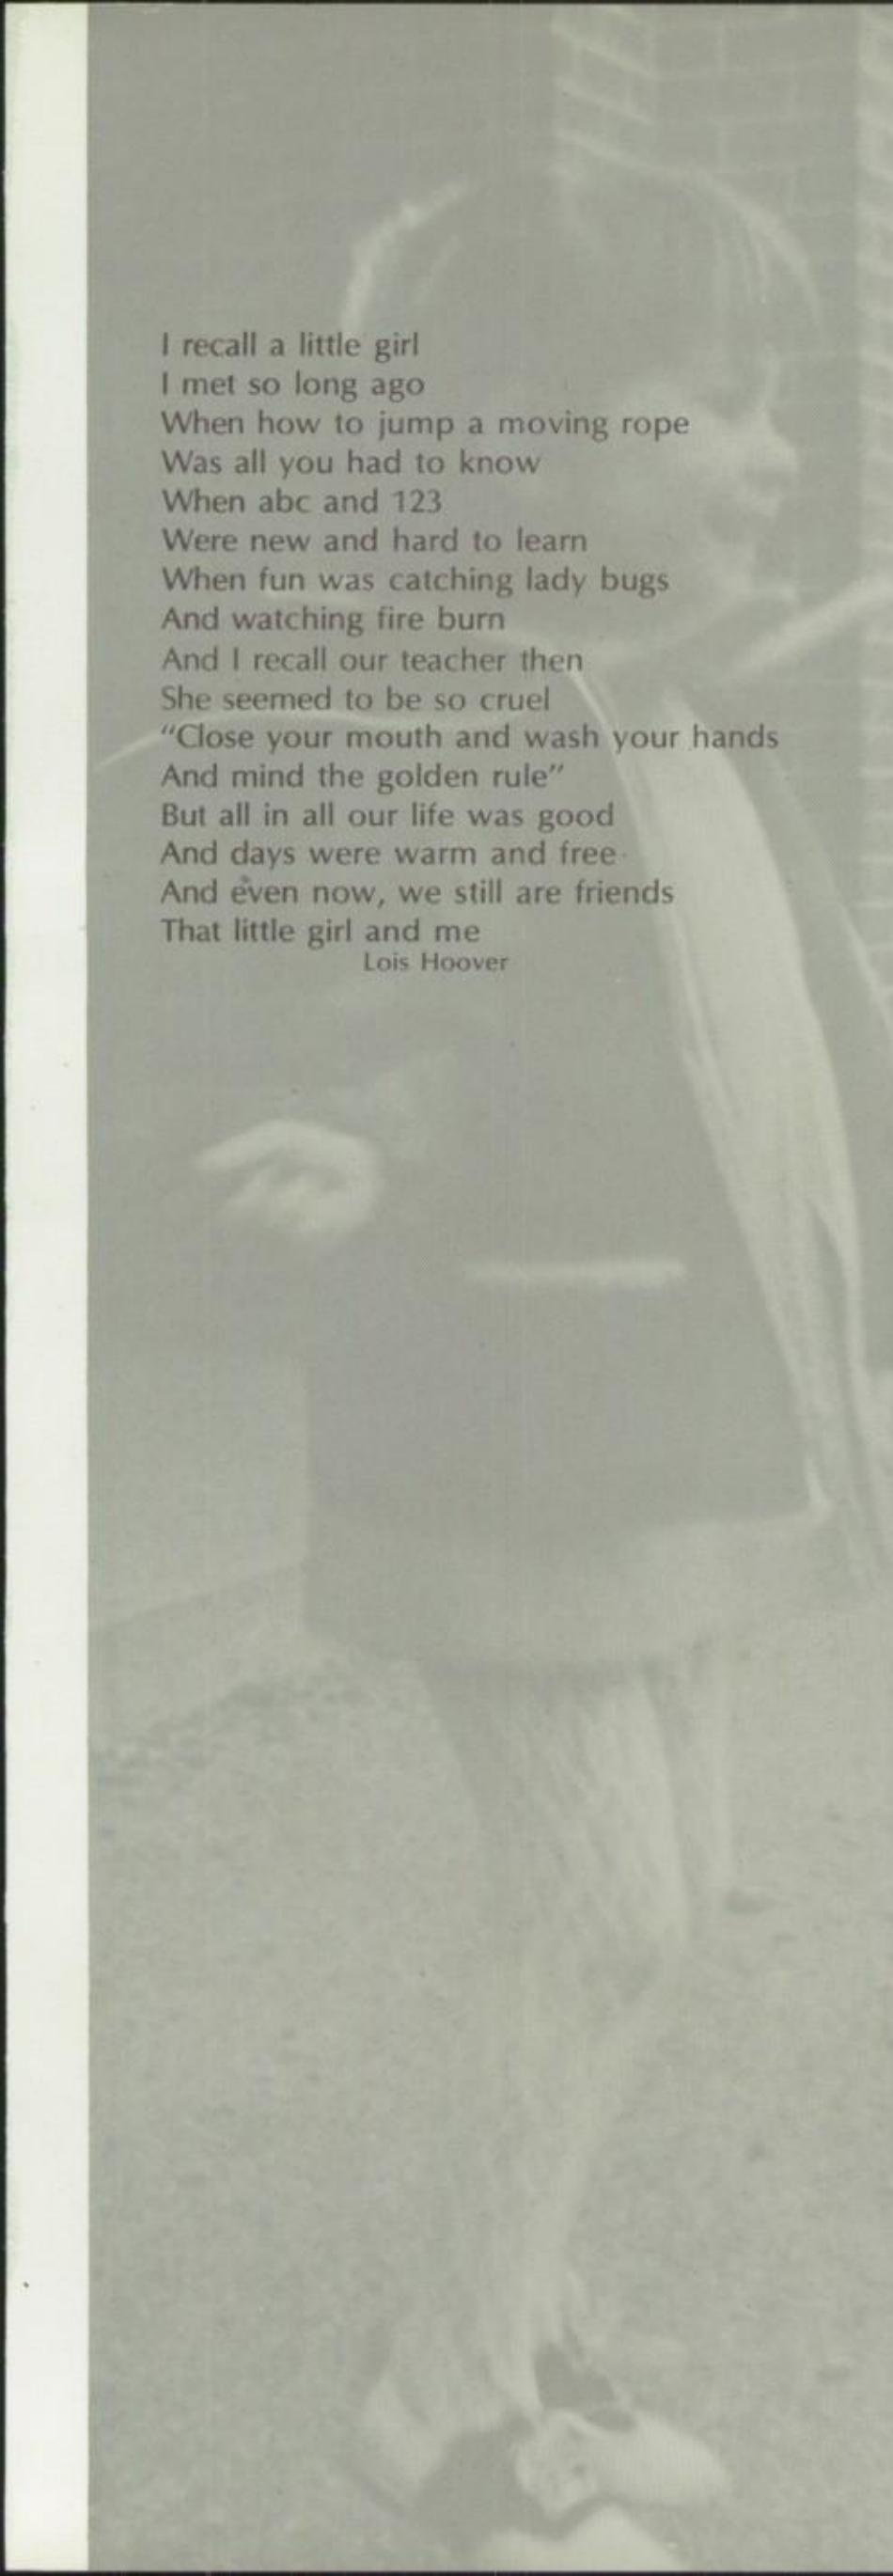

**1972**

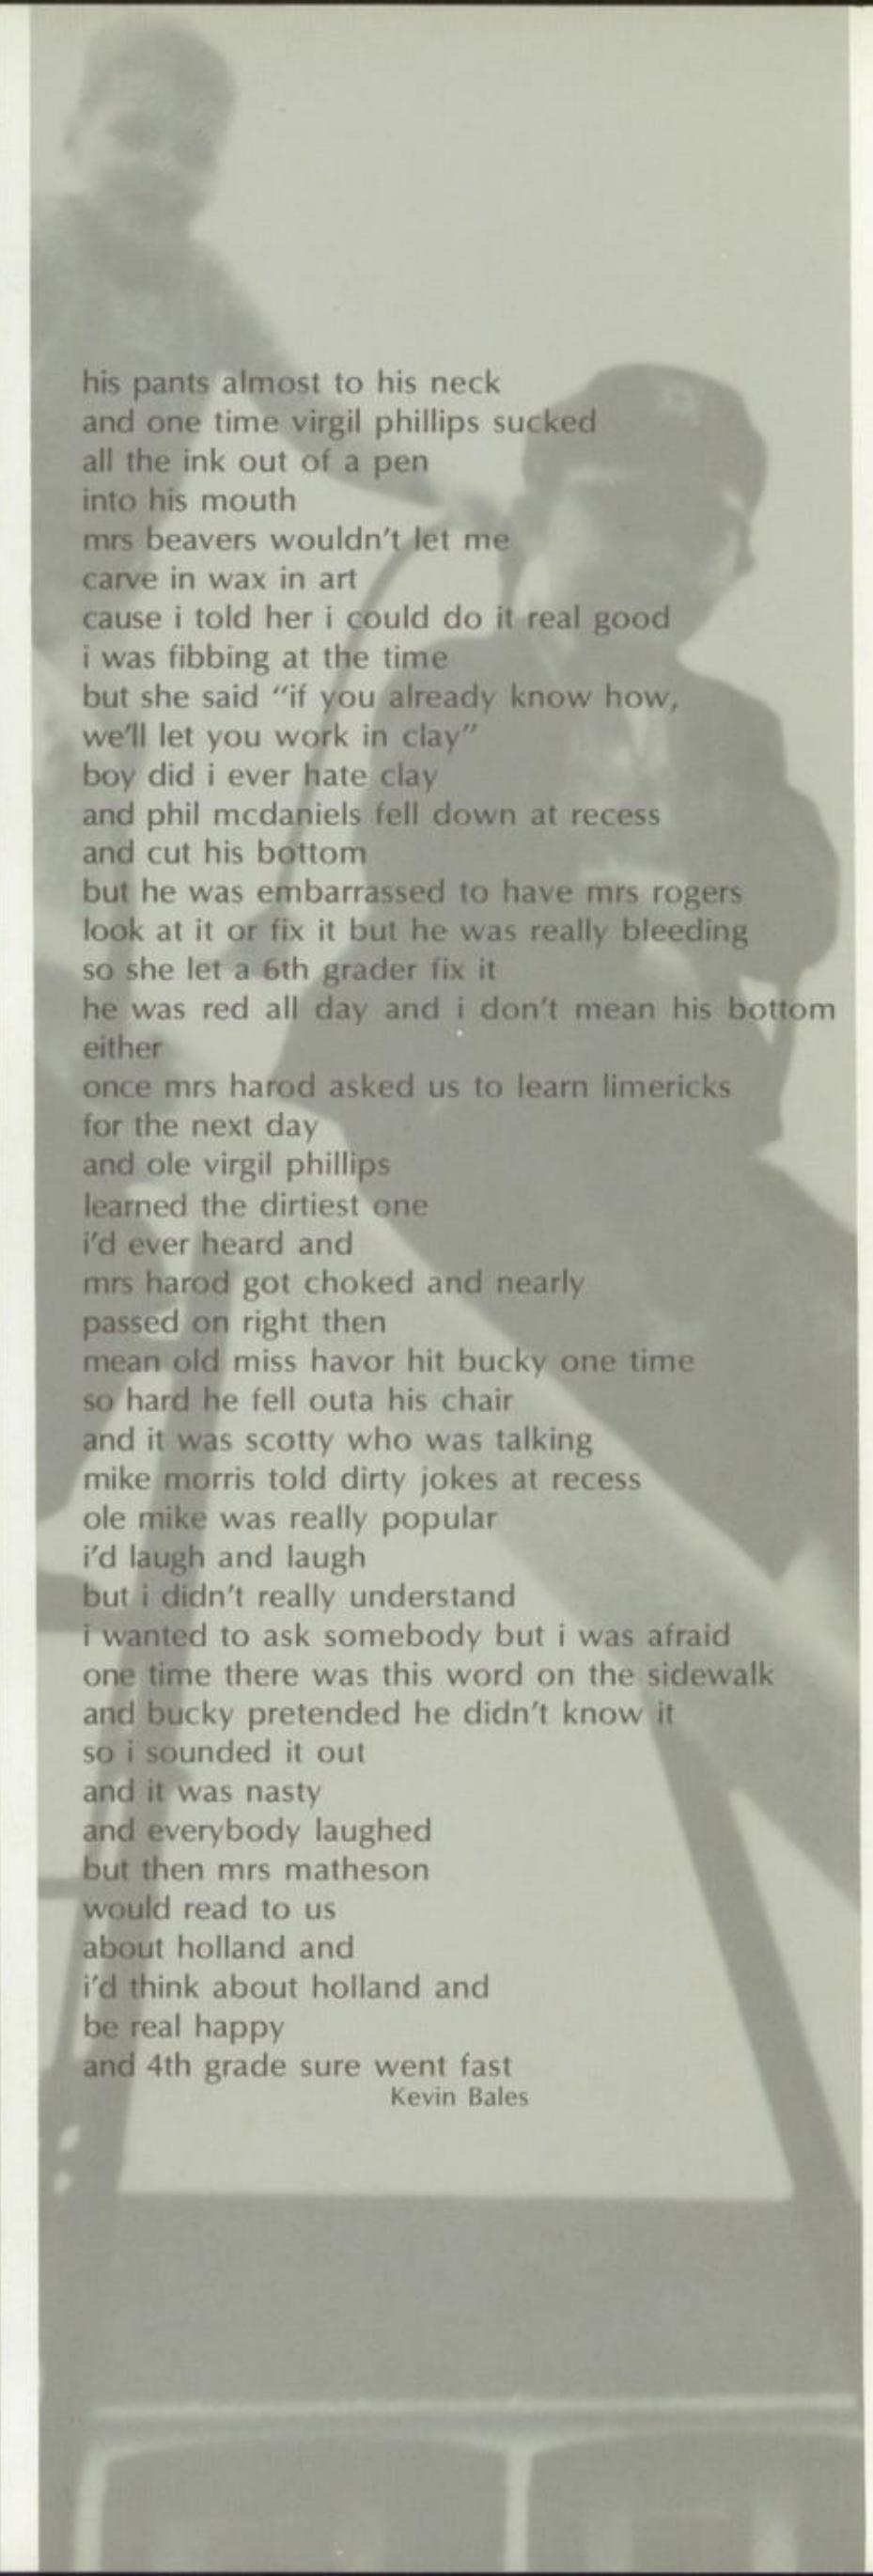

I recall a little girl  
I met so long ago  
When how to jump a moving rope  
Was all you had to know  
When abc and 123  
Were new and hard to learn  
When fun was catching lady bugs  
And watching fire burn  
And I recall our teacher then  
She seemed to be so cruel  
"Close your mouth and wash your hands  
And mind the golden rule"  
But all in all our life was good  
And days were warm and free  
And even now, we still are friends  
That little girl and me

his pants almost to his neck  
and one time virgil phillips sucked  
all the ink out of a pen  
into his mouth  
mrs beavers wouldn't let me  
carve in wax in art  
cause i told her i could do it real good  
i was fibbing at the time  
but she said "if you already know how,  
we'll let you work in clay"  
boy did i ever hate clay  
and phil mcdaniels fell down at recess  
and cut his bottom  
but he was embarrassed to have mrs rogers  
look at it or fix it but he was really bleeding  
so she let a 6th grader fix it  
he was red all day and i don't mean his bottom  
either  
once mrs harod asked us to learn limericks  
for the next day  
and ole virgil phillips  
learned the dirtiest one  
i'd ever heard and  
mrs harod got choked and nearly  
passed on right then  
mean old miss havor hit bucky one time  
so hard he fell outta his chair  
and it was scotty who was talking  
mike morris told dirty jokes at recess  
ole mike was really popular  
i'd laugh and laugh  
but i didn't really understand  
i wanted to ask somebody but i was afraid  
one time there was this word on the sidewalk  
and bucky pretended he didn't know it  
so i sounded it out  
and it was nasty  
and everybody laughed  
but then mrs matheson  
would read to us  
about holland and  
i'd think about holland and  
be real happy  
and 4th grade sure went fast

Lest we forget the first "Jungle Jims" of our lives—our first ups and downs.  
Let us remember the moments we shined, the moments we triumphed,  
the missing planks.  
Let us remember them all, lest we forget.

## Students Donate

Many students volunteer their help around school. The librarians give Mrs. Orlandi much aid by arranging books on the shelves and signing out books. They also help students locate resource materials.

The office runners take up the attendance slips and perform other tasks around the office.

Receptionists sit at the desk in the front hall, directing visitors and keeping track of their entry and departure times.

The mail carriers handle communications among the various schools in the Mohawk district.

To start the school year the Mohawk FFA Chapter "dug in" by placing first in the annual county soil judging contest. The highlight of the year was a trip to Kansas City, Missouri, made by several chapter members. Along with 14,000 other members from across the nation they attended the National FFA convention. Later in the year, Mohawk participants captured first place in four areas of the county public speaking contest. To celebrate FFA week on February 19-26 our chapter engaged in various activities. A radio program, radio spot announcements, and a display at the Sycamore bank informed the public of the occasion.

## Latin Week

The highlight for Latin I and II'ers was the Latin Week celebrated from February 28–March 3. This thirteenth annual event opened with the traditional slave auction. Mr. Ned Gregg, the local auctioneer, officiated at the slave block (center pictures). With the aid of the Latin I mothers the banquet was held on Wednesday (lower right). Trumpeters and the carriers of the boar's head led the procession through the halls onto the stage. Cheryl Hoerig and Jim Hall were crowned Queen and King over the festivities (upper left). After the meal, entertainment in the form of a skit was provided by the Latin I.

Left to Right: Sue Hepp, Jeanette Kirian, Queen Cathy Risner, Deb Kuhn, and Gayle Harvan.

## El Circulo Espanol

Students who had taken at least one year of high school Spanish formed this new organization. The week of February 7 was hectic as members arranged their carnival. Festivities were joined by the school as students were asked to vote for King and Queen of the celebration. Mike Babcock was elected King. Queen Cathy Risner and her court (upper right) reigned over the party held after school on February 10.

The Clock of Life is wound but once  
And no man has the power  
To tell Just when the hands will stop,  
At late or early hour

Now is the only time we own  
Love, live, toil with a will,  
Do not wait until tomorrow,  
For the Clock may then be still.
